Thank you, Ksenija. One small clarification: we will have one CPSC scientist, Dr. Michal Babich, in attendance. Michael is Eric Hooker's supervisor, and Eric, who is unavailable, is our main point of contact on the study.

But you are correct in that CPSC would like to organize a group of its own scientists to tour **Ex. 5 Deliberative Process (DP)** That will have to occur at a later date.

Hi Art,

CPSC will not be joining us on May 16<sup>th</sup>. Since their main researcher is out, CPSC would like to arrange with you directly, another date for the tour of your **Ex. 6 Personal Privacy (PP)** playground-surfacing operation. With CPSC not coming, we would like to limit our tour to the **Ex. 6 Personal Privacy (PP)** facility. CDC will be touring the **Ex. 6 Personal Privacy (PP)** facility with the EPA. However, CDC will use their own transportation, and we will all meet at the **Ex. 6 Personal Privacy (PP)** facility at 11:00 AM. I will provide you with the final list of attendees as we come closer to the tour.

Thank you so much for your time on May 16<sup>th</sup>, and thank you for all of your assistance during this preparation.

Best,  
Ksenija
